

Temiskaming Pleasure Horse Club

www.temiskamingpleasurehorseclub.com
temiskamingpleasurehorseclub@gmail.com

Founded in May of 1969 the Temiskaming Pleasure Horse Club (TPHC) set out to provide local competition for horse enthusiasts of the north. A small group of volunteers put together a club that now, 54 years later, is as strong as ever.

The TPHC provides local horse shows offering competition in English, Western Performance and Western Games events, and mounted games. The club also provides trail rides throughout the scenic district of Temiskaming, clinics, trade shows, general meetings and many other equine related events. Through these events, we bring together horse enthusiasts from not only the Temiskaming District, but also from the Timmins and Quebec regions as well.

To be able to continue providing these events, we are seeking local businesses to become part of the TPHC as a highly valued sponsor. Your sponsorship will assist with the costs of competition operations and grounds and equipment maintenance. There are also options to sponsor year end prizes that could contain your logo.

In exchange for your valued support, you will receive excellent exposure and promotion within our equine community and with the guests that attend our competitions and events. Such recognition may include; promotions in our print materials, on our website and social media platforms, and during our events over the PA system.

Please do not hesitate to contact us if you have any questions or if you wish to become a sponsor. Thank you in advance for considering our request, and for supporting the Temiskaming Pleasure Horse Club.
